Assorted Salvage Meat: All Pantries and Soup Kitchens may order temporarily.

When picking up your order from the Food Bank, everyone is responsible for having adequate help to load their order. This includes having enough vehicle space to pick up entire order. Effective immediately, we will not allow partial pickups of orders. If you are unable to pick up your entire order, the items not received will be removed from your Invoice and you will need to reorder those items with your next order. Please remember, it is your responsibility to check the order against the invoice as you load or receive your order. Any discrepancies must be settled before you leave the dock area or with the driver.

Reminder: All food that is received by your organization is only for your Clients. After picking up food from the Food Bank, the food must go directly to your organization and stored only at your organization.
