Fresh Food Starts with You.

March 1, 2026

Dear (Donor Name),

As spring brings blooming gardens and fresh harvests, many of our neighbors are still struggling to put healthy food on the table. While fresh fruits and vegetables fill grocery store shelves, they also carry some of the highest price tags. For families living on tight budgets, nutritious produce can feel out of reach.

At the Food Bank of Northwest Louisiana, we believe everyone deserves access to healthy food and the dignity of choice. That's why we partner with local and regional farmers to rescue surplus and imperfect crops that would otherwise be left in the fields. These fruits and vegetables are just as nutritious and they become a lifeline for children, seniors, and families across our region.

Rescuing produce is good for people and good for the environment. But moving fresh food from the field to neighborhood pantries requires harvest crews, transportation, and careful coordination to ensure quality and freshness.

Your gift makes this possible.

Every $1 you donate helps provide 3 pounds of fresh produce — apples for an after-school snack, bananas for a senior needing extra nutrition, or potatoes for a family dinner. Last year, generous supporters like you helped us distribute more than 4.8 million pounds of produce, valued at $8,734,757.

This year, we are working toward providing 5 million pounds of fresh fruits and vegetables to our neighbors. Will you help us reach that goal?

Please send your most generous gift today to ensure families across Northwest Louisiana have access to the healthy foods they need to thrive.

With gratitude,

Martha Marak
Executive Director
